

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 10, 1995

SUBJECT: **SB 1730 - HB 1711**

This bill, if enacted, will require the Tennessee Wildlife Resources Agency to issue a free license to any Tennessee resident who is receiving social security benefits due to total and permanent disability. The Social Security Administration reports there are 102,790 Tennesseans who would qualify for this free license.

The fiscal impact from enactment of this bill is estimated to be a decrease in state and federal revenue to the Wildlife Fund; however, since the number of individuals who would apply for this free license is unknown, the amount of the decrease cannot be reasonably determined but is estimated to exceed \$100,000. This assumes that 3 1/2% of these Tennesseans would apply for a free license.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
